

WMH AUXILIARY NEWSLETTER

November 2017

PRESIDENT'S MESSAGE

Greetings To All:

I want to share some happenings since the last Newsletter with you. A By-Laws Committee has been formed and they are working diligently to have a review and approval completed by June 2018.

At our November board meeting there was discussion on the cleaning of auxiliary smocks (that are shared and kept in the gift shop). This is a way a member can get hours. I will ask for those interested to let me know at the December meeting. Details will be completed for the person(s) to follow.

It is important that you let the Financial Secretary, Rhoda Beacom, know when you have an address change. Some mailed newsletters have been returned and we want to make sure you receive them.

I was advised that the Hospital Chapel will be open in two weeks. It is located on the first floor at the intersection leading to the cafeteria.

I want to extend a Happy Thanksgiving to you and your family.

GIFT SHOP NEWS

We recently attended the Michigan Hospital Gift Shop Managers Association Conference in Midland. The conference was terrific - probably the best we've attended - with a great deal of idea exchanges between managers. All of the information provided was directed at gift shops: managing, buying merchandise, and revamping the shop. Therefore, when you step into YOUR gift shop you will find it arranged a little differently than before. We hope that this is an uplifting change of scenery for everyone.

Besides the change in the look of the shop, we've moved from our "Pumpkin Patch" to "It's Beginning To Look A Lot Like Christmas!" We have items for everyone on your Christmas list. Come on in and see our new merchandise:

magnetic games for children of all ages

layered jewelry and magnetic jewelry

sports items for Packers, Lions, Red Wings, Michigan State and U of M

stuffed animals

puzzles

**Christmas and
seasonal items**

We still have several openings available in each shift and would appreciate any assistance you can give. Call us if you'd like to volunteer in the shop (635-4371). It's a lot of fun! Remember, volunteers get a 15% discount on general merchandise while working their shift!

Thank you to our volunteers for giving so generously of your time and talents. Happy Thanksgiving

and have a very Merry Christmas and a joyous, peaceful
New Year!
