

# January 2014 Emergency Room Progress Report

As of January 14, 2014, the first half of the Emergency Department construction and expansion project is complete. Those seeking emergency care will now enter the Emergency Department off of Spruce Street and parking is available next to the building.

Emergency Department parking spots are for emergencies only. Parking for patients and visitors remains the same and includes the city parking structure and the large lot off of Nolte Street.

For more information, call Pat Bray at 906-635-4351.
